

# EASY ROLLER<sup>®</sup> GDO-6 GEN2

## SERIES 2

## YOUR 'GO TO' ROLLING DOOR OPENER

Our flagship rolling door opener, the EasyRoller<sup>®</sup> now features our Series 2 upgrades. Designed to deliver a slim profile, reliability, security and convenience, it is compatible with our Smart Phone Control Kit and Wireless Safety Beams.

The Series 2 EasyRoller<sup>®</sup> takes forward the impressive reputation earned by this series of openers over the past decade. This version incorporates bright LED courtesy lighting. The opener comes with TrioCode™ 128 Remote Controls, Soft Start/Soft Stop operation, advanced door profiling and obstruction sensing for secure and safe operation. The Service Indicator lets you know when it is time to service your door.

### WHAT'S IN THE BOX:

Opener with LED Courtesy Lights

Easy Access Transmitter to open and close the door from within the garage

Two TrioCode™ 128 Remote Controls

*\*When maximum spring balanced weight is 20kg.*

*\*Please see full warranty terms and conditions on our website. This brochure is not evidence of our warranty. Our warranty is in addition to any consumer guarantees that may apply under the Australian Consumer Law.*

### AT A GLANCE:

#### SECURE & RELIABLE REMOTE CONTROL

The TrioCode™ 128 remote control ensures secure and reliable home access. It transmits on three frequencies to defeat radio interference, and uses a 128-bit encryption protocol (with trillions upon trillions of random codes\*) for the ultimate in security.

\*340,282,366,920,938,463,463,374,607,431,768,211,456 codes

#### POWERFUL MOTOR

This EasyRoller<sup>®</sup> 600N DC motor reliably operates doors up to 110kg\*.

#### LED COURTESY LIGHT

A Courtesy Light means your immediate surrounds can be lit to provide security and convenience, and being an LED light source you know it's going to last.

#### 7 YEAR WARRANTY

The Series 2 EasyRoller<sup>®</sup> is backed by a 7-year/20,000 cycle warranty\*, giving peace of mind.

## POPULAR ACCESSORIES

### Smart Phone Control Kit

Monitor and operate your garage door and gate on your smart phone from anywhere\*. Control more than one location from the one app, such as home and holiday home. Receive push notifications about the status of your garage door and gate, view past activities, set various opening modes, customise user settings and more in the Automatic Technology App.

\*Subject to cellular and WiFi connection and availability.

### Battery Back Up

In the event of power failure your door will still operate.

### SmartSolar™ Ready

Using only one solar panel the sun does all the work for you.

### Wireless Safety Beams

Safety beams help protect your family and possessions by detecting obstructions while your door is closing.
